## General Delivery Terms

Deliveries are made in Germany, to an address chosen by the User. A signature will be required on delivery following identity verification.

The delivery address specified by the User must be accessible by asphalt or paved road, and the delivery is made to the place closest to the specified delivery address, which (at the discretion of vehicle driver) allows unimpeded and safe parking, lowering of the cargo board and unloading.

**Krono** SHOP shall not be held liable for undelivered orders or other unfulfilled obligations resulting from incorrect, inaccurate, outdated and/or incomplete details, and any possible re-sending of these goods shall be at the expense of the User.

If, after two visits within the same day to the address listed by the User, the courier has not been able to complete the delivery and/or contact the User at the phone number listed by the User, the remote sales contract shall be automatically terminated, and **Krono** SHOP shall be free of its obligation to deliver the ordered goods. In case of such remote sales contract termination, **Krono** SHOP shall reimburse the User for the paid amount.

### Damaged goods

Upon delivery of your products at the requested location, please do inspect the goods as any damages will have to be noted on the courier documentation.

### Returns

We want you to be completely happy with your purchase from Krono SHOP, therefore, we operate a 14-day returns policy. If you refuse a delivery for any other reason aside from damage, you will be refunded to your credit/debit card or bank account within 14 days. All we ask is that you return the products back to us in the original packaging and the products are in the same condition at the time of purchase. We cannot accept any cut or fitted products so please fully inspect your goods.

The user shall be responsible for the damages of the goods caused by trying out the goods in manner that differs from what is usually necessary to determine their nature, specification and proper functioning.

To assist us in processing your return, please provide a cover letter, which you can find here:
